## Our 22nd home is in the home stretch

The “Raise the Roof” Community Build is wrapping up, and Johnson County Habitat for Humanity’s 22nd home is almost complete.

Kylie can’t wait to celebrate the completion of her home and move in. Finishing this house will be a long awaited blessing for both her and the affiliate since we had to reschedule her build due to the pandemic. Her patience and hard work will be rewarded soon.

Thank you to the more than 250 volunteers who donated their time, labor, food, and funds to help Kylie achieve her dream of home ownership. We couldn’t have done this without you.

Follow us on Facebook at [facebook.com/habitatjohnsoncounty](https://facebook.com/habitatjohnsoncounty) for details when the dedication is scheduled and to view all of the pictures we took during the build. We look forward to celebrating Kylie’s home with all of you.

## Looking for Specialty Volunteers

We are looking for volunteers to give a portion of their time to make the ReStore a better place for the community! We are in need of some handy people to use their carpentry and woodworking skills for minor furniture repairs and other projects. We also need creative people to use their skills to make decorative displays and signage. Please contact us if you are interested.
