Women Build Commences as Community Build Concludes

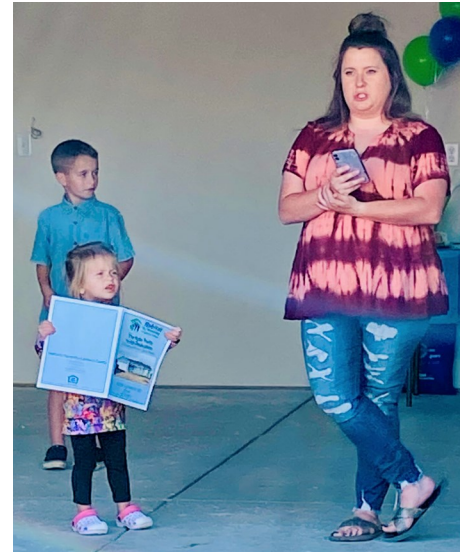

Our side-by-side build sites have been bustling with activity for the past several months.

The fifth Women Build started September 15th. Sixteen teams of ladies are building a home next door to the recently completed home from the Spring Community Build. The recipient of this new project will be Misty and her four children.

Although we had to cancel a couple of days

due to rain, the project is coming along as expected. Follow us on Facebook for updates on the progress of Misty's house.

Our "Raise the Roof" Community Build successfully wrapped up in September as well. We celebrated with a dedication on Saturday, September 25th. Shortly after, Kylie and her young children moved into their new home.

We are very thankful for the continued support from all of our Community Partners. We have been able to help 23 Johnson County families achieve their dreams of home ownership because of your continued generosity including your time, labor, food, and funds. We look forward to continue working together on future projects.

Donations Needed

Our ReStore is in need of donated furniture, appliances, cabinets, and other home goods. Please consider Habitat when you or someone you know is downsizing or upgrading. Donating gently used material diverts it from landfills, helps shoppers find their needs at a lower price, and raises money for Habitat to continue building homes for Johnson County families. For questions regarding acceptable donations, visit our website or call during business hours.

Drop off Donations are accepted during business hours. Pick up is available for large donations.

Please call us to schedule.

*****HFHJC ReStore reserves the right to refuse items we feel are unsuitable for resale or that are overstocked.*****

Don't have any items to donate but still looking for ways to help support us? Scan our QR code with your phone's camera to donate funds on our website!
